TOWN WARRANT

To the inhabitants of the Town of Hinsdale qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall on Tuesday the 10th of March, 1964 at 10 o'clock in the forenoon, to act on the following subjects:

Article 1. To cast your ballots for all necessary town officers.

Article 2. To see if the provisions of Chapter 171-A of the revised laws relative to playing games of beano shall be adopted in this town.

Article 3. Shall the Town of Hinsdale continue to maintain its existing municipal court so long as its present Judge remains in office? () Yes () No.

Article 4. To choose Delegates to the Constitutional Convention.

Article 5. To vote on the question, "Shall sweepstake tickets be sold in this City or Town?"

Article 6. To cast your ballots for election of delegates and alternate delegates; delegates at large and alternate delegates at large to the National Convention of the various political parties to be held to nominate party candidates for President and Vice-President of the United States.

Polls open on the above articles at 10 A. M. and shall not be closed earlier than 7:30 P. M.

Action to be taken on the following articles beginning at 7:30 P. M.

Article 7. To see if the Town will vote to accept and adopt the report of the Selectmen, Auditors and other Town Officers.

Article 8. To see how much money the Town will vote to raise and appropriate for the payment of ordinary town charges for the maintenance of the fire department, highways, and for all other necessary expenses arising within the Town. (See Budget).

Article 9. To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$50,000.00 in anticipation of the collection of taxes for the current municipal year and to issue in the name and on the credit of the Town negotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected within the current municipal year.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$483.30 to which the State will contribute \$3,221.98 to be expended on Class IV and Class V road construction.

Article 11. To see if the Town will vote to confirm and authorize the authority of the Selectmen to sell any property which the Town may acquire through tax sale and by Tax Collector's deed to the town.

Article 12. To see if the Town will vote to remove the office of Road Agent from the non-partisan ballot now used at Town Meeting for the election of town officers and to authorize the Selectmen to hire a competent person under their supervision to be in charge of highway and sidewalk maintenance, snow removal and any other work that comes under the jurisdiction of the selectmen. (Inserted by petition)

Article 13. To see if the Town will vote to raise and appropriate the sum of \$125.00 for flameproofing the combustible materials in the Town Hall Auditorium.

LIBRARY REPORT

Hours open per week	22 ½
Total circulation for 1963	30,465
Total circulation for 1962	30,404
Increase over 1962	61
Adult fiction	8,162
Adult non-fiction	6,651
Juvenile fiction	6,118
Juvenile non-fiction	7,930
Magazines	1,604
Largest monthly circulation—October	2,640
Smallest monthly circulation—August	2,195
Average daily	120
Percent of fiction	.465

The circulation is approximately the same as in 1962 but the percent of fiction read has decreased by 4%. This is always gratifying to report. The percent of fiction read ten years ago was 68%. Much of the non-fiction is read by the children and young adults and the demand for it is increasing each year. There has been some decrease in circulation since September, due in all probability to the opening of the new library at the high school. However, more adult readers are using our facilities each year so we hope to maintain the present circulation or better it during the coming year.

National Library Week was observed in April and many new children's and young adult books were put into circulation. Posters were on display and appropriate bookmarks distributed.

In July a six-week summer reading program was held and twenty-eight children from grades 4 through 7 were enrolled. The theme this year was "World Traveler" and much interest was shown in the many foreign countries read about,

The program ended with a party which was attended by twenty-two children. At this time charts were completed and achievement ribbons awarded. Following a round table discussion about favorite books and the countries each would like to visit, refreshments were served by the librarian. On four Monday mornings during this period a two hour class was held for the sixth and seventh graders enrolled, to teach them how to use the library and its tools. Much interest was shown by the children.

On July 29th, the librarian went to the University of New Hampshire, on a scholarship given by the New Hampshire Federation of Women's Clubs, for a three week course in Public Library Techniques. The two courses elected by her were "Reading and evaluating children's books" and "Library services for Adults". Both proved to be extremely interesting and helpful. Mrs. Marion Varno was in charge of the library during this period.

In October the librarian spoke at the District Meeting of the New Hampshire Women's Clubs at Dublin. She also spoke at two meetings of the local club.

During the year Miss Patricia Smalley and Mr. Dorsey Belden have had art exhibits at the library.

National Book Week was celebrated November 10-16. A book sale was held and approximately \$10.00 was realized. Fifty books of elementary and high school level were put into circulation during this week. Appropriate posters and book marks were purchased for this special library week.

We welcome the bookmobile about every ten weeks and our readers are always happy to know of its arrival. The bookmobile librarian, Miss Alice Carter, is most helpful and we are extremely fortunate to have this service. It affords the librarian and the borrowers an opportunity to see and read books that otherwise would be just "titles in a catalog"; due to the fact that the present library budget will not buy the number of books it formerly did—the cost of books having risen approximately 80% in the past ten years. A substantial increase in the town appropriation is needed if we are to

adequately serve the demands of our reading public, particularly the young adults and students in the fields of education and science.

The library continues to be a "study hall" each evening and the reference section is a busy place. The majority of the students are courteous, there is no serious discipline problem and the librarian appreciates this and enjoys working with the young people. Each year we welcome the "small ones" and help them to know what fun and adventure can be found in books.

At this time the librarian wishes to thank the Board of Trustees for the help and cooperation given her during the past year. She also wishes to thank those who have given books and magazines to the library. They are greatly appreciated.

Please visit your library. It needs your interest and support.

Respectfully submitted,

SYLVIA E. FLETCHER,

Librarian

PUBLIC HEALTH NURSING SERVICE

The following is the report of the service from January 1, 1963, to December 31, 1963:

Newborn—2

Infant and Pre-school Visits—3

Home and Office Visits—476

School Children Attended—579

Crippled Children's Service Clinic—9

Tuberculosis Clinic and Testing—23

The annual school physical examinations were started in September by Doctor Houpis, school physician, and the nurse. Out of 209 pupils examined, decayed teeth was the outstanding defect found. During the examination of the high school boys' athletic groups, 20 pupils received tetanus and diphtheria toxoid injections.

Vision examinations were done in the spring and fall for 742 pupils and 42 referrals were made for defects.

There have been 16 cases of mumps, five of impetigo, and six of German measles reported or seen in the schools this fall.

This report includes the work done by Mrs. Anne Matuszewski, who so kindly took over the nursing duties during three weeks of December.

I wish to thank those who have helped in any way to carry out the duties of the service.

Respectfully submitted,

BERTHA C. BRADBURY

REPORT OF THE SCOUT HALL

The Girl's Scout Leaders and troop committee of Scouts wish to express to the townspeople and town officials their appreciation for the privilege of using the basement room of the Town Hall for a meeting place. The hall is in constant use all week. On Monday, Cub Scouts, Tuesday, Junior Girl Scouts, Wednesday, Brownie Scouts and Cub Scouts, Thursday, Cadet and Senior Scouts and Friday, Junior Girl Scouts and Cub Scouts.

The enrollment of the Girl Scouts in Hinsdale now numbers 77.

The Annual Swift Water Fund Drive was recently completed. The response to this drive was very gratifying.

Submitted by Mrs. Lila Reynolds, Troop Consultant to Hinsdale and troop leaders, Mrs. Marion Watson, Mrs. Francis Copeland, Mrs. Elizabeth Benson, and Mrs. Marion Smith.

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 18, 1964

Board of Selectmen
Hinsdale, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Hinsdale for the fiscal year ended December 31, 1963, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Water and Sewer Departments, Library, Trustees of Trust Funds and Municipal Court.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1962—December 31, 1963: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1962 and December 31, 1963, are presented in Exhibit A-1. As indicated therein the Net Debt decreased by \$23,412.99, in 1963.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt

Net Budget Surplus	\$4,838 37
Long Term Notes Paid	7,000 00
Bonds Paid	15,000 00
Decrease in Accounts Payable A/c	
Jeopardy Warrant Excess Collections	574 62
	<hr/>
	\$27,412 99

Increase in Net Debt

Cash Surplus Used to Reduce Tax Rate	4,000 00
	<hr/>
Net Decrease	\$23,412 99

Comparative Statements of Appropriations and Expenditures
—Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1963, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$3,106.84, plus a net unexpended balance of appropriations of \$1,731.53, resulted in a net budget surplus of \$4,838.37.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1963, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1963, is indicated in Exhibit B-2.

Water and Sewer Departments: (Exhibits E-1 and E-2)

Summary statements of the receipts and expenditures of the Water and Sewer Departments for the fiscal year are presented in Exhibits E-1 and E-2.

Statement of Long Term Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1963, showing annual debt service requirements, is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS**Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased by \$1,412.99, from \$16,297.80 to \$17,710.79, in 1963, as shown herewith:

	December 31, 1962	December 31, 1963
Total Assets	\$165,657 23	\$167,618 66
Current Liabilities	149,359 43	149,907 87
	<hr/>	<hr/>
Current Surplus	\$16,297 80	\$17,710 79

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recom-

mendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hinsdale for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,

Director

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Hinsdale qualified to vote in district affairs:

You are hereby notified to meet at the Hinsdale High School in said district on the thirteenth day of March, 1964, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and

the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

10. To see if the Hinsdale School District will accept the report of the gymnasium and auditorium planning committee and to appropriate the sum of seven thousand dollars (\$7,000.00) for architectural fees to obtain and prepare plans and specifications for the addition of a gymnasium-auditorium to the Hinsdale High School and report back with such plans at the 1965 School District Meeting or act in any manner thereon.

11. To transact any other business which may legally come before this meeting.

Given under our hands at said Hinsdale this fourteenth day of February, 1964.

REPORT OF THE GYMNASIUM- AUDITORIUM STUDY COMMITTEE

The gymnasium-auditorium study committee met for the first time in October, 1963. We decided that our primary task was to investigate the need for a gymnasium-auditorium. In looking into the needs, we took into consideration present gymnasium-auditorium facilities, future building needs of the school, future building needs of the town, and the indebtedness of the town.

We have consequently concluded, based on our research, that, in 1965, a gymnasium-auditorium combination is feasible, to be built on the west side of the present high school.

In conclusion, as a study committee formed under Article 11 of the March 1963 School Warrant, we have studied the school need for a gymnasium-auditorium in the town of Hinsdale.

We have been unable to obtain actual costs, as that would require the services of an architect and there were no funds appropriated for this.

REPORT OF THE ELEMENTARY SCHOOL PRINCIPAL

To the Superintendent of Schools:

I herewith submit my third annual report as principal of the Hinsdale Elementary School.

On September 4, 1963 we enrolled 479 pupils in grades K-8. This is an increase of 23 pupils over the enrollment on the first day of school in 1962. However, the high point during the year has been 489 pupils enrolled. In order to make adequate plans for class size and placement of pupils we will have pre-school registration in June. We anticipate an enrollment exceeding 500 pupils in September 1964.

There have been some changes in our teaching staff this year. In July a vacancy occurred in our staff with the untimely death of Mrs. Israel Kacanek, teacher of grade four. This was a great loss to our school for we all recognized Mrs. Kacanek as a wonderful teacher, devoted to her profession and the children she worked with during the school year. Other teaching vacancies occurred when Mrs. Brandt assumed the position as art instructor for Winchester and Hinsdale School Districts and Mrs. John Baldassaro moved to Hillsborough where Mr. Baldassaro took a position with the Hillsborough School District.

New members on our staff are as follows:

7 and 8 Social Studies—Mr. Napoleon Benoit who was formerly a teaching principal and has worked for several years as an underwriter in insurance.

7 and 8 English—Mr. Richard Callahan who received his degree from Keene State College in 1963.

Kindergarten—Mrs. Esther Bailey changed from 7 and 8 English to kindergarten.

Music—Mrs. Azalea Wilson was hired to teach elementary music, thus making it possible for Mr. Joseph Norton to spend more time with instrumental music and chorus.

Art—Mrs. Edith Brandt is teaching art to all grades.

Grade 4—Mrs. Roger Chapman was hired to teach grade four. She has taught for several years in Vermont.

As the year progresses I feel that we have an excellent faculty, working together in their effort to maintain the high standard of education that is so much in evidence within our elementary system.

Our curriculum is much the same as last year with improvements in all areas. At the present time our primary enrollment is larger than it should be for maximum learning and I feel the addition of a primary teacher will help to alleviate the teaching load, thus making it possible for each teacher in this area to spend more time with individual instruction. The departmentalized program in grades 5—8 is continuing to operate with excellent results. As I indicated in previous reports, departmentalization in no way impedes the opportunity for individual instruction and tends to strengthen our curriculum.

Our reading program is operating very well and all possible means are being employed to better prepare our boys and girls in this area. Many times parents are concerned with this phase of education and they can and should enhance this area by directing their children to the library and motivating them to read as often as they can. Good reading is measured in all areas of learning.

Due to the large enrollment in grades 7 and 8 we have limited our manual arts and home economics instruction to grade eight pupils. This year boys and girls in grade 8 are going to the high school for two classes per week.

Under the supervision of Mr. Richard Neilsen, our children are increasing their activities in physical education. We do not have the needed space nor equipment for indoor sports, but we are taking advantage of all facilities available. In the

fall we had intramural leagues in several sports. Teams were organized from grades 5—8 to play other schools. During the winter months grades 7 and 8 will receive basketball instruction on a limited basis and several of our youngsters will receive instruction in skiing. In the spring our regular intramural program will get underway for all boys and girls.

We have received new science books for grades 4—6, new social studies books in grade 3 and additional reading books in grades 1, 2, 4, 5, 7 and 8 and new music books. It has become necessary for us to purchase new furniture to meet our increased enrollment.

Through the National Defense Educational Act new science equipment has been purchased. This year we have a new tape recorder, and Vu Graph to be used by all grades as needed.

Our music program is one of the best in this area and through the combined efforts of Mr. Norton and Mrs. Wilson our children are offered a wonderful opportunity. At the present time elementary children make up the largest part of the senior band.

During National Education Week the school held open-house and several parents visited our class rooms. We sincerely hope parents will make appointments with the teachers during the school year to discuss the progress of their children.

The PTA again sponsored field trips for all grades and many happy children departed for a new experience through the generosity of this helpful organization. Grade 8 visited the Boston Museum of Science as a high light trip for the termination of their elementary education.

Testing was carried on as usual with all results being used in grouping our children within their grade level. Grade 8 results obtained through the New Hampshire Testing Program provided us with needed information for counselling and placement within our high school curriculum.

Our school lunch program, under the management of Mrs. Helen Bouchie with assistance from Mrs. Hortense Stephens,

Mrs. Elsie Williams, Mrs. Elizabeth Butler and Mrs. Elizabeth Bordner has been providing excellent lunches for both the elementary and high school. This is a health program that we must continue to support for the benefit of our growing children. Class A lunches only are served with nutritional values that comply in all ways with the Department of Agriculture specifications.

Mrs. Richard Bradbury has taken a real interest in the health and well being of our children. We are all grateful for the assistance she has given us at school.

Mr. Andrew Paduchak has maintained our school very efficiently during the year. We all take pride in the appearance of our school.

I wish to express my sincere thanks to all staff members, board members, the Superintendent, pupils and parents who have helped make the school year a success.

Respectfully submitted,

ANNUAL REPORT OF THE HIGH SCHOOL PRINCIPAL

To the Superintendent:

I am pleased to herewith submit my third annual report as Principal of Hinsdale High School

The report will encompass the activities and changes that have transpired at this School from February 1963 through January 1964.

Last June the High School awarded twenty-seven diplomas to its graduating class. These young people served to better our school traditions and to further enhance its reputation. Among the graduates were the following:

Mary Ann Benoit	Donna Beth Larabee
Paul Armand Blanchette	Linda Jane Lucier
Jacqueline Ann Bordner	Meredith Ann MacDonald
Albert James Bouchie	Joseph Adolph Mecheski
Carol Anastasia Bruce	Teresa Jean Pelech
Sharon Marie Burdo	Geraldine Elizabeth Preston
Linda Maud Fales	Mary Ellen Reddin
Clara Marie Finnell	Patricia Jean Rouillard
Larry Dennis Finnell	Norman Frederick Sevigny
David Averell Foster	Barbara Ann Sherman
Carol Ann Gove	Edwin Orson Smith
Joseph Leland Johnston	Barbara Rae Tupper
Gregory Langton Kendrick	Randall Clarence Willette
Patricia Mary Wojchick	

The class did much to raise the academic standards of the High School, and it was indeed encouraging and stimulating to find that approximately 52% of our graduates went on to post-High School educational institutions. Our young people found their way to such other schools as Keene State College, Northampton Commercial College, the Thompson School of

Agriculture at the University of New Hampshire, the Mary Hitchcock Hospital School of Nursing in Hanover, Houle's Beauty Academy in Manchester, and the Sheldon Academy of Beauty Culture in Burlington, Vermont. Others in the class have joined the local business community, or have entered the Armed Forces. I know that our best wishes continue to go with them.

The opening of school last September witnessed a further expansion of secondary education in the community. Our student enrollment had increased 8% over the preceding June closing figures. Our curriculum was further expanded which necessitated the addition of one more member to the faculty. During the intervening summer, Mr. Baldassaro and Mr. Pelletier left to accept positions elsewhere. They were replaced by Mr. John Martel, a St. Anselm's College graduate from Manchester, in Science, and by Mr. Robert Devold, a Boston College graduate and veteran of several years teaching at Conant High School in Jaffrey, living in Swanzey Center, and teaching here in our Modern Foreign Language program. We feel quite fortunate in acquiring the services of two such fine people as these. An additional position had to be created to meet the increased curriculum and enrollment demands. Therefore, the High School retained Mr. Bernard FitzGerald, a graduate of Plymouth State College and a resident of Keene, to teach Boys' and Girls' Physical Education, Science and Social Studies. It is the plan of the High School to promote Mr. FitzGerald into full-time Physical Education if the necessary facilities are gained within a reasonable period of time. Through him, we have been able to offer Physical Education to our ninth graders this year for the first time.

In addition to the expansion of the school curriculum as already noted, certain other innovations have been implemented or augmented. In the forefront in this area is the continued strong growth of the High School Library. The collection now numbers more than 800 volumes. This area of the school is well on the way toward meeting its minimum requirements. The governing handbooks for faculty and students

have been continued and have had an overall improving effect upon the operation of the school.

Other additions to our High School life have been in such areas as the inception of an Annual Science Fair, and a greater degree of formalization of our graduation exercises. The Science Fair was presented last Spring with excellent results. This affair gives our young people the chance to creatively explore in the fields of the various sciences. Graduation Day has been enhanced by the addition of a limited academic procession. The number of participating faculty will grow continually, until it becomes a total school tradition.

This current year has found our school scheduled for an evaluation by the New England Association of Colleges and Secondary Schools. This comparative evaluation is essential in order to adequately plot school growth, point out prevalent strengths and weaknesses, and up-date our educational philosophy. To have achieved a satisfactory level in such an evaluation is to insure our college-bound young people a more successful chance for college acceptance. The entire faculty is cooperatively engaged in this endeavor.

To further develop our academic discipline, the High School has this year instituted the practice of offering Mid-year and Final Examinations. It is anticipated that through this medium, more accurate assessments of student academic achievement will be obtained. These results also give meaning and implications to our Faculty in measuring the work that has been accomplished, and further provide worthwhile learning and performance situations for those students planning on extending their education beyond high school.

The various activities of the High School have continued their progress. Mr. Norton's musical groups have continued their growth and busy schedules. Augmented by members from the Junior High School, his band, numbering approximately fifty students, has performed this past year in several parades and public concerts. His band likes to maintain a schedule of at least five major parade dates, and three concert performances. This year the High School Joint Exchange Concert will

be with North Berwick, Maine. Mr. Norton and the High School administration wish to thank the town for its fullest support and cooperation in the completion of all our exchange programs. The Band, further, wishes to thank the Hinsdale Fire Department for its generous support during this past year. Mention must also be made of the excellent quality with which our High School Chorus has sung to us. Their current abilities quite adequately attest to exceedingly competent and patient instruction, and constant community support. More will be heard from the Chorus in the future.

The athletic picture at the High School has been relatively quiet as the school is currently in a period of time wherein the victory column has become quite elusive. In Soccer and Baseball we can more than hold our own, and manage to win our share of the games. In Basketball, we are confronted by a slightly different situation. We now find our competition rapidly drawing away from us primarily because of the existing wide dissimilarity of facilities. Our boys and girls are at a loss to know how to play, or retain sufficient stamina to play on the ever-increasing large courts in our leagues. It is urgently hoped that some type of solution can be found to begin correcting these athletic discrepancies. As has been previously noted, a change in facilities will serve to enhance and otherwise enrich our basic curriculum offerings. The one bright spot on the total athletic scene was the outstanding record established by the High School Ski Team. We expect to do even more with this team in the future. We owe a great deal of credit to our athletic director, Mr. Kidder, who has served this school through many long hours in order to give us a better athletic program.

This past year the High School adopted a new agency for its yearbooks and its rings. The Class of 1963 was the first to receive the new Pacers, and the Class of 1965 will be the first to wear the new, official High School ring. This ring, in 10 k. gold, has the school shield on one side, and embossed letter "H" on the other side, and is surmounted with an emblematic blue stone at the crest.

In conclusion, may I express my sincere appreciation to all who have made this past year's progress possible. A special word of thanks must be given to a faculty which brought our school to where it is today. And above all, let me express the gratitude which must be extended toward our School Board and our parents for the whole-hearted cooperation and support they have given us and our school over the past months.

Respectfully submitted,

BRUCE E. STEWART, JR.,

Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hinsdale:

I hereby submit my third annual report.

STAFF CHANGES: The following members of last year's teaching staff are no longer with us:

Mrs. Winifred D. Baldassaro, kindergarten teacher, resigned.

Mrs. Marilyn G. Kacanek, fourth grade teacher, died following a brief illness.

Mr. John F. Baldassaro, high school science instructor, accepted a teaching position elsewhere in the state.

Mr. Joseph G. Pelletier, high school French instructor, resigned.

The new members of the Hinsdale teaching staff are:

Elementary School:

Mr. Napoleon J. Benoit, Jr., B. Ed., Keene State College, teaching Social Studies in grades seven and eight.

Mr. Richard M. Callahan, B. Ed., Keene State College, teaching English in grades seven and eight.

Mrs. Emily L. Chapman, former Vermont elementary teacher, teaching grade four.

High School:

Mr. Robert R. Devold, B. S., Boston College, former Jaffrey, New Hampshire, teacher, elected to teach French and English.

Mr. Bernard P. FitzGerald, B. Ed., Plymouth State College teaching Science and Physical Education.

Mr. John B. Martel, B. A., St. Anseims College, elected as Science instructor.

Mrs. Edith G. Brandt who formerly taught in grades seven and eight in the elementary school now teaches Art in the high school as well as supervising elementary school Art instruction. Her time is shared with the Winchester School District.

Mrs. Doris B. Smith is also performing in a somewhat new capacity in that she now divides her time by being the school librarian as well as teaching Social Studies.

1967-68	50	47	60	49	206
1968-69	45	50	47	60	202

The statistics outlined above are based upon current information and, while they may indicate possible trends, conclusions regarding future enrollments should be based upon extreme caution. The figures do not reflect the mobility of the population nor do they attempt to predict the number of "repeaters" or "drop-outs". They are simply a projection of current enrollment and census figures.

In comparing the current enrollment figures with those of a year ago, we find thirty-nine more elementary pupils and five more high school pupils for a total increase of forty-four. The increase last year over the previous year was forty. In two years, the enrollment in Hinsdale has increased sufficiently to fill three classrooms. There appears to be sufficient evidence to expect this trend to continue.

HINSDALE SCHOOL FACILITIES: Both the elementary and high school facilities are excellent. However, in order to accommodate the increasing elementary enrollments, the remainder of the all-purpose room should be converted into classroom space. This would then provide eighteen elementary classrooms.

EDUCATIONAL PROGRAM: At the center of the school is a learning child with his teacher. A school system is measured by what happens here, at its heart. Every provision of budget, of space, of materials, and of staff is justified by its contribution to teaching and learning. There are many forces that affect teaching and learning and they inescapably require new services and resources.

In an age of changing and expanding demands on our schools, the citizens of Hinsdale want, even demand, support for the challenging task of giving our children the kind of educational opportunities adequate for the times. The Hinsdale School Board and the administration is striving to provide this kind of program. However, expanded curriculums, facilities, and staff have economic implications which must be faced.

I believe the citizens of Hinsdale are to be commended for their continued support in providing educational opportunity for our youth which is in step with the times.

In conclusion, I wish to express my appreciation to the principals and teachers, pupils and parents, the School Board and the patrons of our schools for their understanding and cooperation.

Superintendent of Schools

Report of the Forest Fire Warden and Your District Chief

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and relinquishing of personal rights for the common good. It was the greatest demonstration of public co-operation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.
